

SUFFERED 23 YEARS

Constant Sufferer From Chronic Catarrh Relieved by Peruna.

Mrs. J. H. Bourland, San Saba, Texas, writes: "For twenty-three years I was a constant sufferer from chronic catarrh. I had a severe misery and burning in the top of my head. There was almost a continual dropping of mucus into my throat, which caused frequent expectoration. My entire system gradually became involved, and my condition grew worse. I had an incessant cough and frequent attacks of bilious colic, from which it seemed I could not recover. My bowels also became affected, causing alarming attacks of hemorrhages. I tried many remedies, which gave only temporary relief or no relief at all. At last tried Peruna, and in three days I was relieved of the bowel derangement. After using five bottles I was entirely cured. I most cheerfully recommend the use of Peruna to any one similarly afflicted."

TOPSY BOY.

Shetland stallion foaled May 19th, 1910. Black, with white on shoulders, white over quarters, white legs, large white star in forehead, imitation white saddle on back. Sired by Givens pony, he by Handley's Blue Eyes, 1st dam Doty a very fine pony, that could trot in three minutes and fine as a thoroughbred.

Topsy can trot fast, pace, running walk and high step. I showed him at Lancaster fair at 2 1-2 months of age, in sweetstake ring against alleged ponies and he took the premium. I refused \$200 for him three times before he was four months old.

Will make the season of 1912 at my place in Crab Orchard, Ky., 300 yards from post office on Dripping Springs road at \$10 to insure a living colt.

TO BUILD ROADS BY CONTRACT

Important Provisions of New Law Passed By Legislature

Under an act passed by the Kentucky legislature all roads are to be built and repaired by contract. The matter is of great importance to all persons interested in the public highways and for this reason we publish the following important provisions of the act. The law goes into effect early in June.

"In counties wherein roads are worked by taxation, it shall be the duty of the supervisor, or if there is no supervisor, the county judge, to advertise for fifteen days in succession in some newspaper of general circulation in the county, and by written or printed notices posted up in three or more conspicuous places of each voting place in said county just preceding the regular monthly meeting of the fiscal court in April in each year, that the fiscal court will receive bids to let out to the lowest and best bidder (who shall give bond with surety approved by said court) the working and keeping in repair of all roads in said county for a time not less than one, nor more than four years, not however, including in such letting, roads previously contracted for. The paid work shall be done as prescribed in bonds of contractors, the fiscal court reserving the right to annul any and all contracts made with contractors when the terms of the contracts are not complied with. The fiscal court shall also let out at such times needed and on reasonable (printed or written) notice, the building and repairing of all such bridges and culverts as are not embraced in the contracts for working roads.

It shall be the duty of the supervisor to report in writing to the judge of the county all failures of contractors to comply with their contract in regard to roads or bridges, and to appear and prosecute, in all proceedings against such delinquents so reported by him. The supervisor, with the consent of the county judge, may designate roads, or parts of roads that are not to be let out as hereinbefore required, but which are to be worked and kept in repair, either by special contracts privately made, or by hands and teams hired by him, or by persons sentenced to labor, or who, by law may be liable to work out fines imposed by juries or courts. But it shall be the duty of the supervisor to return to the county court, as its November term in each year, a description list of such roads which shall be recorded in this order book, and also to report in writing all hands and teams hired and amounts paid for same, and the length of time and where employed; and also a similar report of the names of the delinquents who work, the places where, and the length of time and names of persons working out fines or sentences on the road.

R. G. Bright Left Here 40 Years Ago But Still Reads the I. J.

Renewing his subscription to the I. J. for another year, Mr. R. G. J. my thoughts go back to old Stanford and my boy school days and many sweet memories crowd my mind as I think of the happiest days of my life. I left Kentucky forty years ago last November and have

Junction City

At the Catholic church in this city on Monday morning, Rev. Father Leo officiating, Miss Johanna Weissinger, daughter of Mr. and Mrs. Peter Weissinger, of the New Austria neighborhood, and Mr. Jesse Minor, a prominent young business man of this place, were married. This young couple will go to house-keeping at once in the house belonging to the groom's mother. One hour later, at the same church, the same minister officiating, Miss Mary Burka, daughter of Mr. and Mrs. Joseph Burka, of this city, was married to John Clarkston, of the Rolling Fork vicinity. Mr. and Mrs. Clarkston will go at once to a farm the groom has rented from his father. The church was comfortably filled with friends and relatives of the parties.

Mrs. Thomas E. Cosby, who was confined to her bed by illness most of last winter, is now able to sit up some, for which sign of returning health her friends are profoundly grateful.

Marshall McCollum, who has been weighing mail on the C. N. O. & T. P. Ry., for more than two months, has never missed a day from his work.

His many friends in this place are proud of the record this popular young man is making. Dr. J. R. Steele is preparing to have a public garage erected on his lot adjoining the Cumberland Grocery Company building. The size of the new garage will be 18x30 and will contain everything needed by an automobilist, besides having a man in charge to do repairing.

BIG SEASON EXPECTED AT ELIXIR SPRINGS.

A big season is expected at Elxir Springs, the famous health resort in Casey county a few miles south of McKimney. Manager R. M. Houchin has made a great many improvements during the winter and has every accommodation for his guests. He is making a rate of \$8.50 and \$10 a week, which is considered very reasonable when the character of the water, and quality of accommodations is considered. Many from here will spend much of the summer there in search of health and rest.

Mistaken Diagnosis—Doctors Guess Wrong Again.

About five years ago I wrote to you that I had been a terrible sufferer from kidney and bladder troubles, and that my physician informed me that my left kidney was in such condition that there was no hope for my recovery. I was advised to try your Swamp-Root as a last resort and after taking four fifty-cent bottles, I passed a gravel stone which weighed ten grains. I afterwards forwarded you this gravel stone, have had no return of any trouble since that time and cannot say too much in favor of your wonderful preparation, Swamp-Root, which cures, after physicians fail.

Very truly yours,

Roseboro, N. C.
